ORDERING

Orders must be E-Mailed or faxed:

E-MAIL ORDERS TO: anneartistcollective@gmail.com

Fax Numbers: 401-396-8346

Customer Service hours are 8:00am to 4:30pm Eastern Time 401-396-8345

Please provide PO# or job name for your order.

Please list the full part number and quantity.

All orders are subject to acceptance by Anne Artist Collective.

SAMPLING

Showroom is billed and issued credit when returned within 30 days. The showroom is responsible for freight in & out. Samples should not be used for final orders as finishing can vary due to various factors. We ask that merchandise returned be wrapped and boxed as received.

CUSTOMIZING PRODUCT

Customizing styles with crystals is available for a \$50 net set up fee per style number (not per piece) per purchase order number, NO minimum. No cancellation after 24 hours. Not all stone colors are available in all sizes. If we cannot get the appropriate size, we will call you within 48 hours. When in doubt, CALL US! If you are using more than one color crystal, a color keyed picture must accompany the order.

Type a "C" in front of the style number. Include a full description of the style including the FINISH and the crystal color EXAMPLE C7155/1 #202 aquamarine crystals; museum gold plate.

We only stop and read descriptions when we see the "C" in front of the style number.

Customizing color is available for a \$50 net set up fee per style number (not per piece) per order, 5 piece or 5 pair minimum. Not all finishes are available. No cancellation after 24 hours. In every case, it is best to call us on customizing color. Because we are mixing colors (like paint), it is important to go over the request with a customer service representative. If there is a color in the collection for reference, please know the style number when you call. If it is a color NOT in the collection, we will need a color chip from the customer (it can be tile, fabric, paper, etc.).

We can come very close to matching colors; however, there is always a subtle difference from one medium to another.

RETURNS

All returns require an RGA# from Anne Artist Collective. Returns will be refused at the showroom expense without the RGA# written on the outside of the carton.

Merchandise returned is subject to a 40% restocking fee plus shipping charges.

Custom is a final sale; no returns.

Orders older than 30 days from invoice date are not returnable.

We do not take back anything that has been installed. There will be an additional 10% fee deducted for all missing screws.

CANCELATION

Our products are custom manufactured to order; therefore, all purchase orders are subject to a 40% restock after 48 hours if cancelled or altered.

Hardware for the Ages, 100% Made in USA

Edgar berebi Decorative Hardware stands as a testament to enduring quality and timeless craftsmanship. Renowned for its exquisite designs and meticulous attention to detail, the company has carved a niche in the world of high-end decorative hardware.

History and Philosophy

Edgar berebi Decorative Hardware was founded with a vision to bring artistic excellence into the realm of home decor. The brand's philosophy is rooted in the belief that everyday objects should be as beautiful as they are functional. This guiding principle has driven edgar berebi Decorative Hardware to push the boundaries of design, consistently delivering products that captivate the eye and elevate the home environment.

100% Made in USA

One of the distinguishing features of edgar berebi Decorative Hardware is its dedication to American craftsmanship. Every product is 100% made in the USA, reflecting the brand's pride and maintaining high standards of production. This commitment ensures that each item is crafted with the utmost care and precision, embodying the values of durability and reliability.

Artisan Craftsmanship

Each piece of cabinet hardware and bath accessory is hand-finished by skilled artisans who take pride in their meticulous attention to detail. The process involves multiple stages, from the initial design and casting to the final polishing, finishing touches and stone setting.

This dedication to craftsmanship ensures that every item not only meets but exceeds the highest standards of quality. The result is a range of hardware that is not only beautiful but also supremely functional.

Materials, finishes and Attention to Detail

We utilize a variety of premium materials to create its exquisite products. Metals such as brass and pewter are carefully selected for their durability and timeless appeal. In addition to traditional metals, the brand incorporates luxurious elements like Swarovski® crystals and semi-precious stones into its designs, adding a touch of opulence to each piece.

Experience the elegance and sophistication of our high-quality metal finishes and discover how they can elevate the space to new heights. With 19 options to choose from, the perfect finish is just waiting to be found. Some of our precious metal finishes like Museum Gold, Florentine Gold, Burnished Silver and Matte Silver involve up to 9 step hand crafted process, hand relieved and aged to a museum quality.

What sets us apart is the painstaking attention to detail that goes into each piece. Every item is inspected to ensure it meets the highest standards of quality. The use of premium materials and expert craftsmanship guarantees that every product is a masterpiece in its own right. Every piece is coated with a clear ceramic coating "Cerakote" providing unparalleled protection, ensuring your hardware remains beautiful for years to come.

Designs that Inspire

We offer a diverse array of designs that cater to different tastes and preferences. From ornate, classical patterns to sleek, contemporary styles, there is something for everyone. Each design is carefully crafted to inspire and transform spaces, adding a touch of elegance and sophistication.
